Ballet

Concebida a partir de ideias simples para soluções infinitas, a linha BALLET é uma linha aberta, polivalente, versátil e suave. É a opção ideal para quem gosta de recriar espaços e conceitos.

Designed with a basis on simple ideas for infinite solutions, the BALLET line is an open mixed-use line, which is versatile and flowing. It is the ideal option for those who like to recreate areas and concepts.

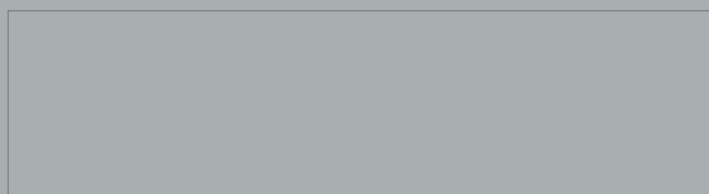

Concebida a partir de ideias sencillas para soluciones infinitas, la línea BALLET es una línea abierta y polivalente, versátil y suave. Es la opción ideal para quien desee recrear espacios y conceptos.
